About Rock the Nation:

Rock the Nation is a live tribute show celebrating over 60 years of Canadian music, produced by Annerin Productions and presented by the National Music Centre. It features songs from the '50s to present day that inspired, moved, comforted, and challenged a nation. It's the soundtrack to generations and a musical reflection of a country's evolution; a nation intent on building its own unique identity in a rapidly changing world. Experience it all live on stage, and journey through the decades by revisiting songs and music made famous by Paul Anka, the Guess Who, Neil Young, Joni Mitchell, Maestro Fresh Wes, k.d. lang, Avril Lavigne, Shania Twain, Drake, The Weeknd, and so many more.
