

NATIONAL MUSIC CENTRE SCHOOL PROGRAMS 2024

**We don't teach music...
We use music to teach.**

National Music Centre's school programs work towards the mission of amplifying the love, sharing, and understanding of music in Canada. Our hands-on programs are based on Alberta's K-12 curriculum and programs of study. Featuring items from NMC's rare and unique collection, programs are led by talented musician educators who will make the concepts come to life.

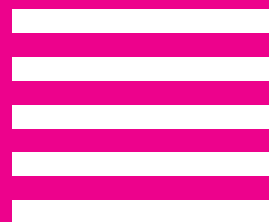

Select the visit that aligns perfectly with your in-classroom teaching — from science to math and everything in between!

HANDS-ON. EARS-ON. MINDS-ON.
